ЖИЛ У ДЕДА КОЛОБОК

Стихи и сказки в стихах

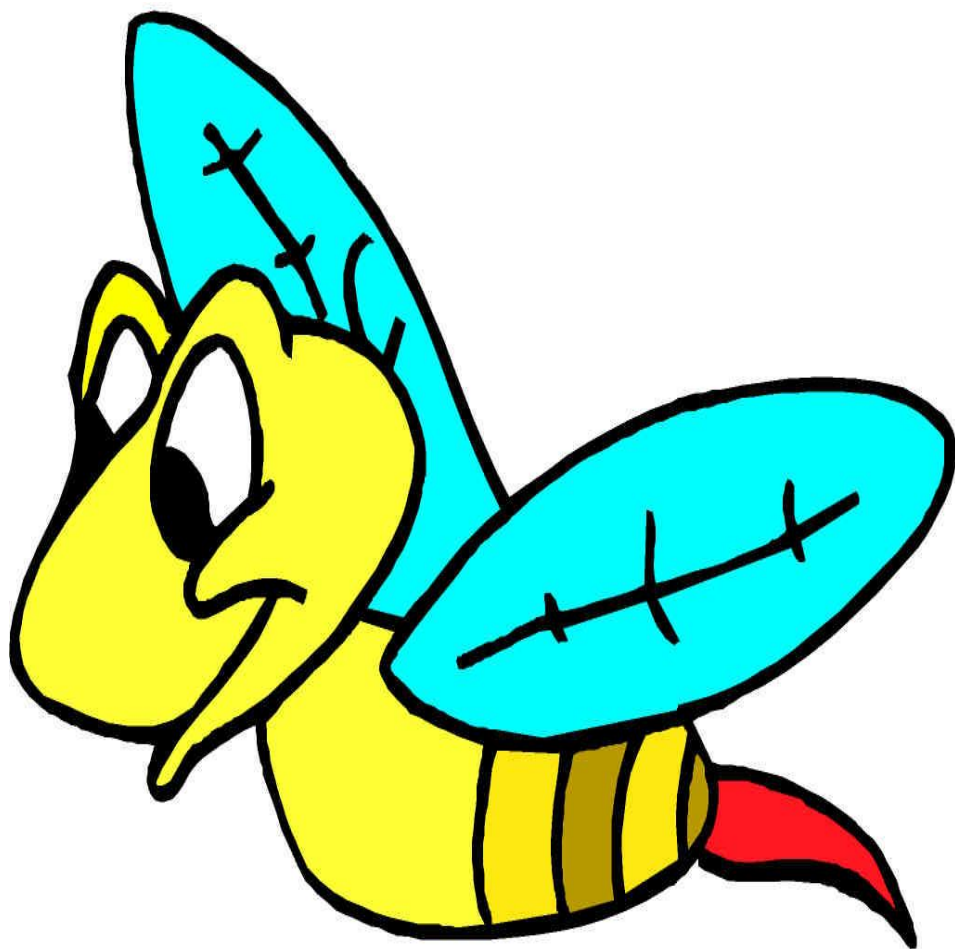

ЖИЛ У ДЕДА КОЛОБОК

Жил у деда колобок -
Круглый, толстенький бочок.
Испечён был, как лепёшка,
Помещался весь в ладошку.

Колобок один лежал,
Долго-долго горевал.
Подрумяненный бочок,
Зазвенел вдруг, как сверчок:

**«Для еды я испечён.
В печке жаркой я томлён.
Но никто меня не съел,
Я остыть уже успел!»**

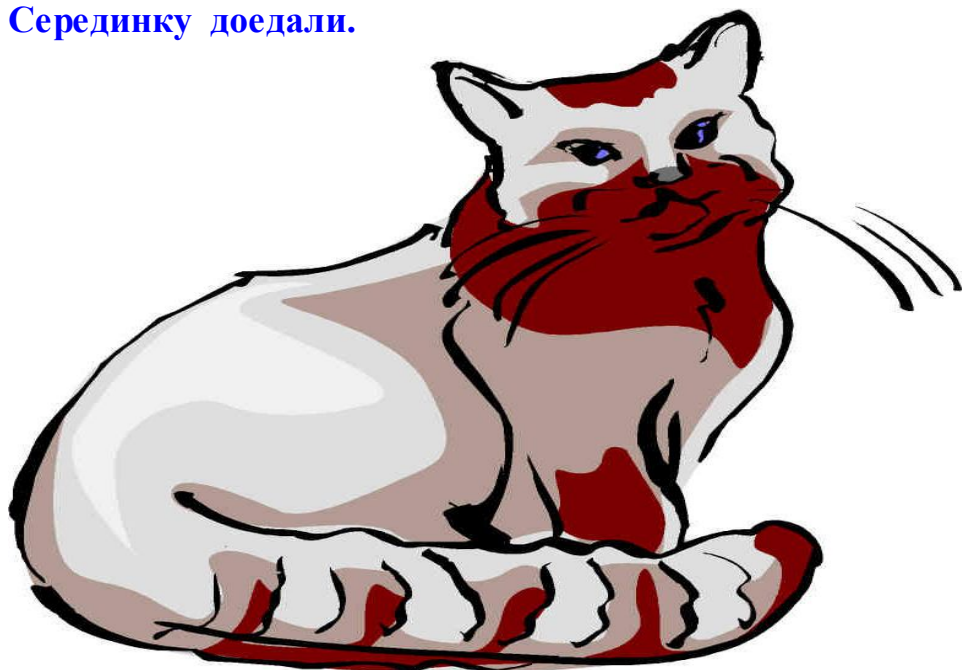

Плакал горько колобок –
Тонкий, звонкий голосок.
Дед услышал, прослезился.
Съел кусок, воды напился.

«Вкусный-вкусный колобок,
Толстый, мягонький бочок!»
Тут зашла его старушка,
Пошептала деду в ушко.

Ущипнула коlobка,
Забрала его бока.
Кошка с мышкой подбегали,
Серединку доедали.

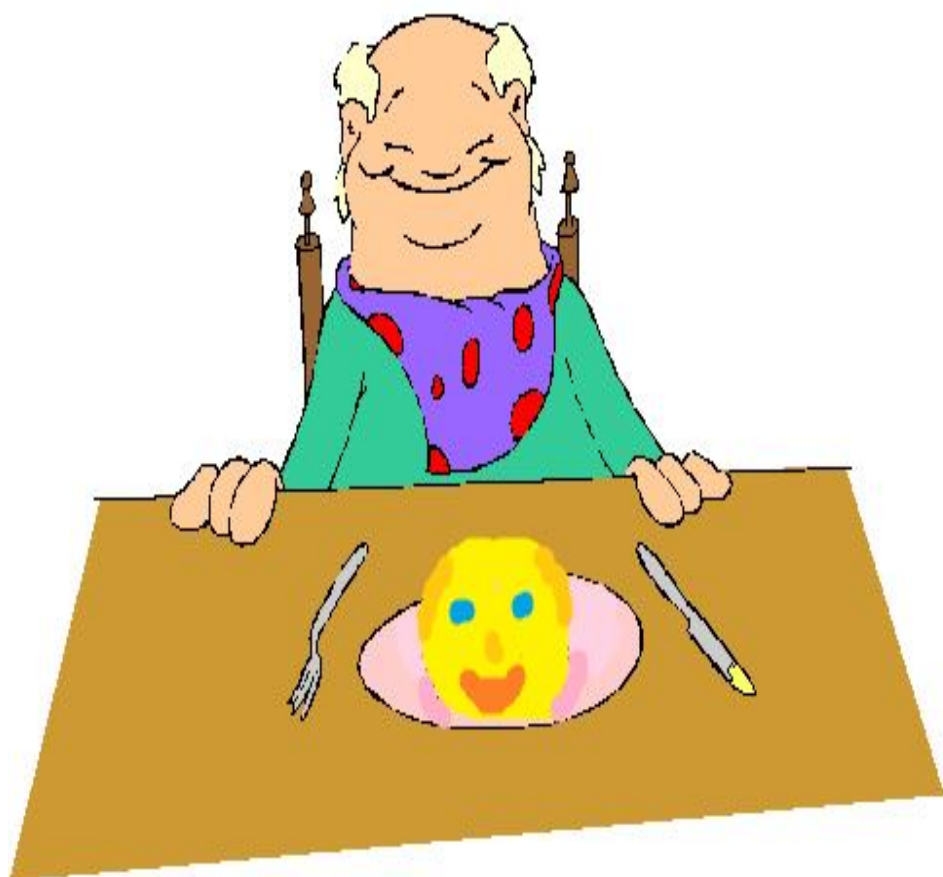

Крошка лишь от колобка -
На обед у старика.
Засветилась алым крошка,
Покатилась вдруг горошком.

Дед спокойно крошку в руку
Нежно - бережно кладёт
И зовёт свою старушку
Посмотреть, как та растёт.

По ладошке покати­лась,
Крошка стала ко­лобком,
Загорелась, за­скри­лась,
Подрумяненным бо­чком.

Снова жаловался деду
Весь горячий колобок.
Снова звал семью к обеду -
Звонкий, тонкий голосок.

**Так и жил в семье у деда,
Чудный, русский колобок.
Звонко пел он до обеда.
Слушал песни старичок.**
