# БЕРЕЖЛИВЫЙ ДЕД

Две лягушки под окном  
Квакали, кричали.  
Там в лукошке мальчик - гном,  
Слёзы лил в печали.

Ручкой щёчки вытирал  
Мокрые от слёз.  
Из карманов доставал  
Лепесточки роз.

**Превращались лепестки  
В круглые монетки:  
От волшебной, от слезы,  
От тоски не детской.**

Деньги гномик посчитал.  
Все сложил в лукошко.  
В нём сидел, чего-то ждал.  
Он устал немножко.

В старом доме, старый дед  
Выглянул в окошко.  
Видит кучечку монет,  
Сложенных в лукошко.

Вышел дед, лукошко взял  
С гномом и деньгами.  
Гномик радостно сказал:  
«Поживу я с вами!»

Быстро вырос теремок  
На опушке леса.  
Дед построить домик смог  
Точно в три навеса.

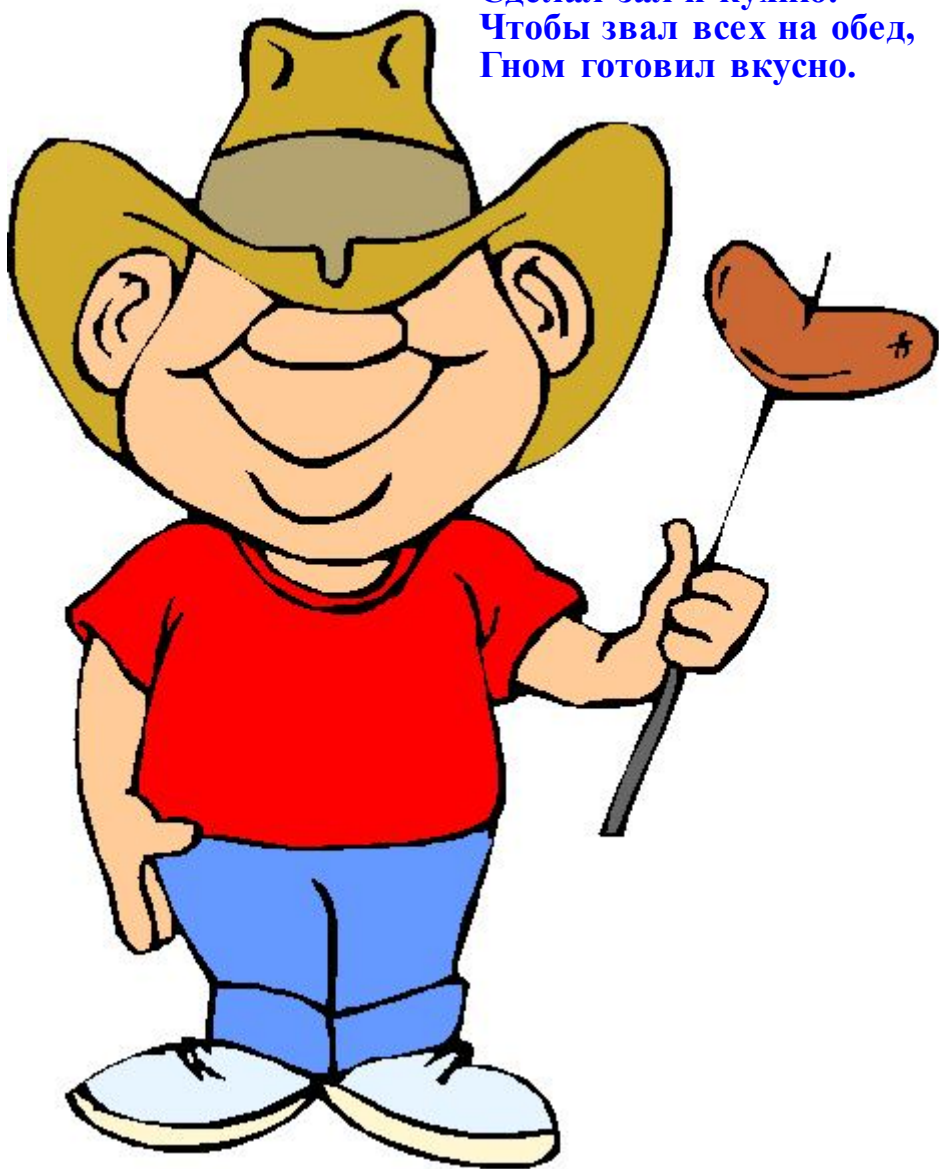

рис. Олеси

**Чтобы кваков поселить,  
Под навесом первым.  
Чтобы вместе с ними жить,  
Другом быть им верным.**

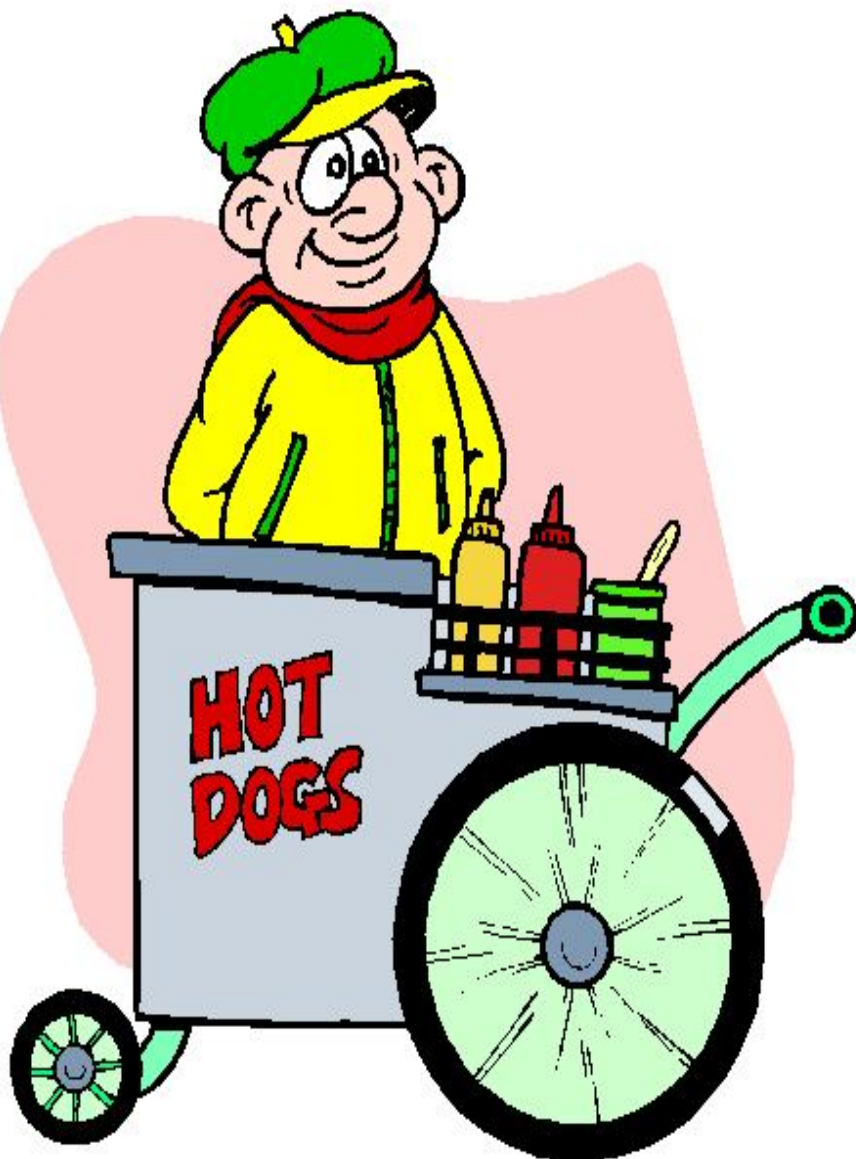

На втором для гнома дед,  
Сделал зал и кухню.  
Чтобы звал всех на обед,  
Гном готовил вкусно.

А на третьем он для всех  
Приготовил спальни.  
Сверху виден дивный лес  
И посёлок дальний.

Кваков дед к себе позвал  
В теремок огромный.  
Гному столик накрывал  
С угощеньем скромным:

«Будем жить все вместе здесь.  
Нам монеток хватит.  
По грибы схожу я в лес,  
Чтобы меньше тратить!»
