Не ленива я...

Стихи и сказки в стихах

НЕ ЛЕНИВА Я...

Не ленива я... Упряма!
Я, как доктор Айболит.
Помогаю днём я маме,
Ночью мама крепко спит.

ПРО КАПУСТУ

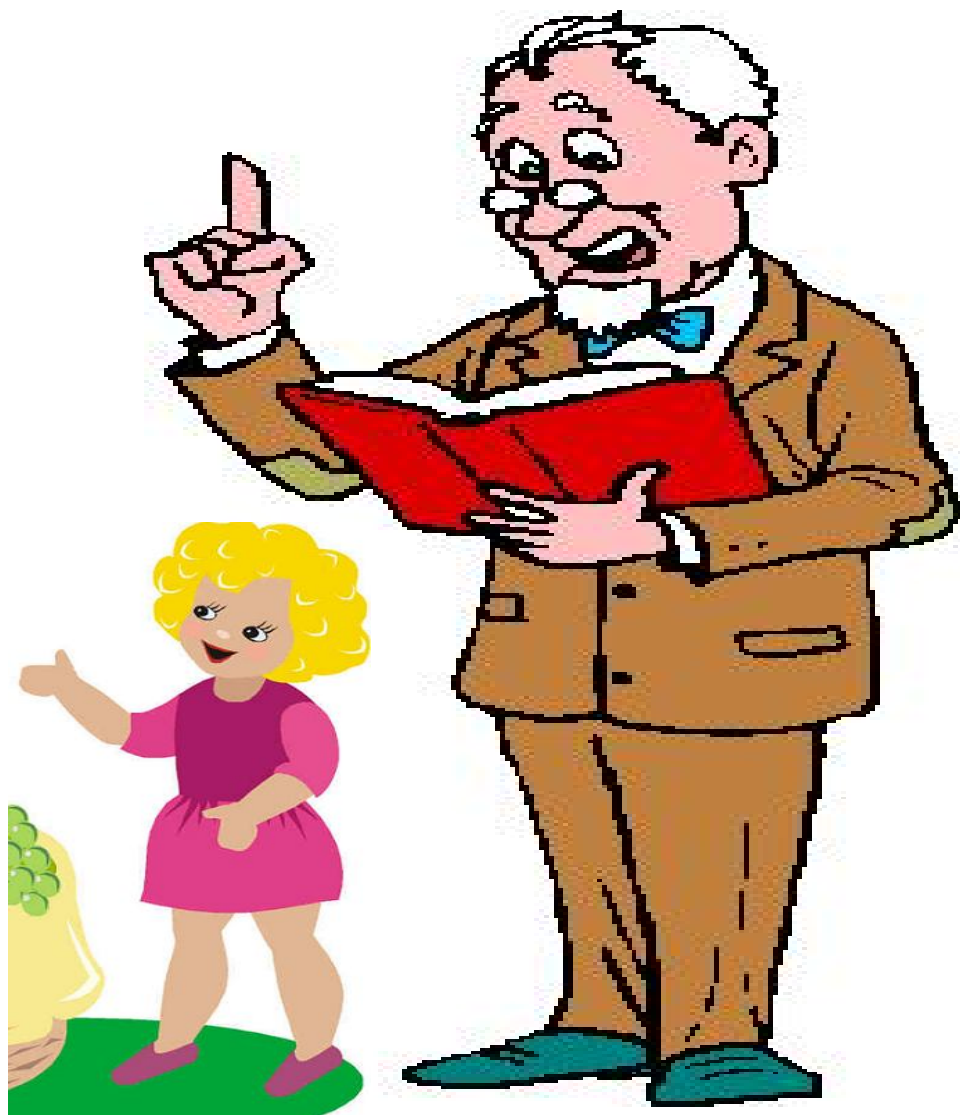

Днём капусту поливаю,
Про капусту знаю всё.
Лист капустный я срезаю,
Квашу и готовлю сок.

В САДУ

Я по саду днём гуляю,
Изучаю там жучков.
Червячков я собираю...
Дед мой лучший рыболов.

В МАГАЗИНЕ

В магазин я вместе с дедом
С удовольствием иду.
Потому, что сдачу деда,
Всю в карманчик свой кладу.

БОЖЬЯ КОРОВКА

«Этот жук!» - сказал мне дед:

«Божия коровка...

Много вредной тли в обед,

Жук съедает ловко.»

ЦВЕТОЧКИ

**Я к цветочкам прихожу,
Глажу их листочки.
С ними рядышком сижу
И играю в дочки.**

АРБУЗ

У меня упал арбуз,
Лопнул и разбился.
Оторвался хитрый ус,
А потом пришился.

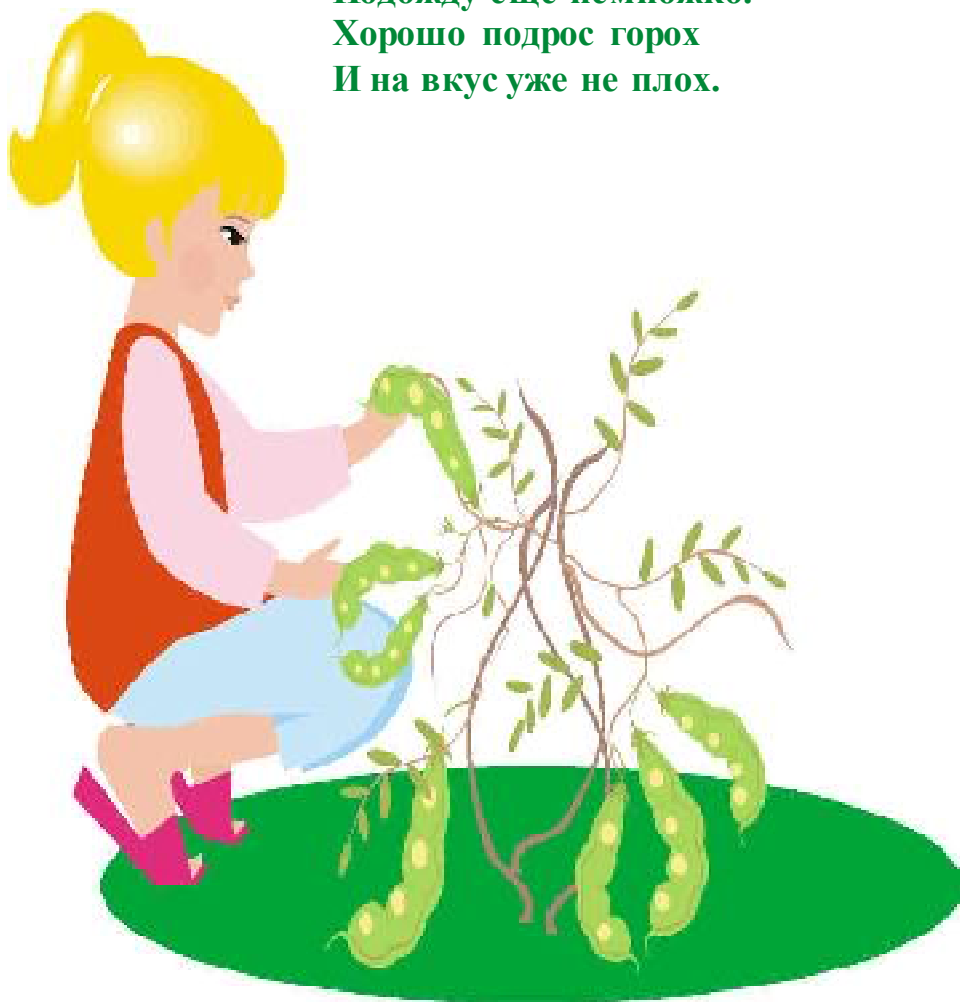

ЛЕЙКА

Капли капают из лейки,
На мои цветочки.
Мою листики и шейки,
Воду лью в горшочки.

ГОРОХ

Вижу зёрнышки - горошки,
Подожду ещё немножко.
Хорошо подрос горох
И на вкус уже не плох.

УРОЖАЙ

Я клубничку и картошку
Собрала себе в лукошко.
Очень я довольна,
Собирать прикольно!

ЁЖИК

Я собралась в магазин,
Остаётся ёж один.
Шевелится чёрный носик,
Молочко так ёжик просит.

the 1980s, the 1990s, and the 2000s. The 1980s were characterized by a focus on the environment and social justice, while the 1990s saw a shift towards economic growth and globalization. The 2000s were marked by a renewed interest in the environment and social justice, as well as a focus on technology and innovation.

The 1980s were a period of significant social and environmental activism. The environmental movement gained momentum, with the publication of Rachel Carson's *Silent Spring* in 1962 and the establishment of the Environmental Protection Agency in 1970. The social justice movement also gained traction, with the passage of the Civil Rights Act in 1964 and the Women's Movement in the 1960s and 1970s.

The 1990s were a period of economic growth and globalization. The end of the Cold War led to a period of relative peace and stability, which allowed for economic growth and globalization. The World Trade Organization was established in 1995, and the Internet was invented in 1969, leading to a global network of communication.

The 2000s were a period of renewed interest in the environment and social justice, as well as a focus on technology and innovation. The 9/11 attacks in 2001 led to a renewed focus on security and terrorism, while the 2008 financial crisis led to a renewed focus on economic stability and social justice.

The 2010s were a period of significant social and environmental activism. The environmental movement gained momentum, with the Paris Agreement in 2015 and the establishment of the Intergovernmental Panel on Climate Change in 1988. The social justice movement also gained traction, with the passage of the Affordable Care Act in 2010 and the Women's March in 2017.

The 2020s are a period of significant social and environmental activism. The COVID-19 pandemic in 2020 led to a renewed focus on public health and social justice. The environmental movement also gained momentum, with the passage of the Inflation Reduction Act in 2022 and the establishment of the United States Environmental Protection Agency in 1970.
